“The names Serato and Rane stand for quality and reliability – the same things DJs expect from UDG bags. The Creator is the ultimate travel companion for the DJ who demands the best”

Sam Gribben, General Manager, Serato Audio Research,
Dean Standing, Director of Sales, Rane Corporation

The **UDG Creator Backpack** is a new age product for a new age artist. Designed specifically to hold the very popular Serato SL Interface, laptop computer, Audio or DJ Mixer and your LP records, all in one super comfortable, easy to carry backpack. With a multitude of pockets for USB cables, audio cables, MP3 Player, CD's, Headphones, power supplies – the UDG Creator backpack is the **ONLY** choice for the Serato Digital DJ, and a perfect choice for all digital artists.

Constructed of heavy duty, water resistant Ballistic nylon, the UDG Creator Backpack features EVA padded walls with removable protective inserts for a custom, secure fit. Ultra comfort, moisture absorbent shoulder straps, durable handle grip, hidden rain cover, multi function pockets and rear organizer section complete the perfect product for your gig.
