PRODUCT DESCRIPTION

DJ-Tech is now introducing the complete PA system which is fitting in one hand only : Visa 80 Light. Coming from his big brother Visa 80 , Visa 80 light has no CD player , but keep on board , the MP3 / USB player. This Portable Sound solution has on board : a 5 CH Mixer with 3 mic input with Tone control , Talkover and Echo on them.

You can add your favourite iPod thru the RCA Line in.

Visa 80 Light is your companion for all your musical trip, your conference's assistant , the perfect tool for Karaoke, the best partner for your Commercial, an incredible Boom

Box for your party @ the beach : just connect your guitar and sing with your MP3 background music for accompaniment. School, Church, Seminar, or simply a Party machine, Visa 80 is the Swiss Knife for Public address.
